CALL FOR PAPERS

The ICHQP Technical Program Committee warmly invites you to submit a paper for the 20th Edition to be held in Naples, Italy. ICHQP is one of the premier international conferences in the field of electrical power engineering and the only IEEE PES conference dedicated to the area of power quality. The conference presents academic and industrial work of technical excellence at the forefront of power quality research and practical developments. The 20th ICHQP will continue this tradition, providing an excellent opportunity for individuals from academia and industry working in the area of power quality to come together to share and exchange ideas.

The theme of the 20th ICHQP is “Power Quality in the Energy Transition”. The conference scope covers topics in power quality including, but not limited to:

- Power Quality Analysis
- Power Quality Mitigation Technologies
- Distribution System Planning for Power Quality
- Power Quality Monitoring /Reporting Methodologies and Indices
- Power Quality State Estimation
- Impacts on Systems and Equipment
- Power Quality Standards
- Equipment Power Quality Immunity
- Transients – Propagation, Measurements and Modelling
- Harmonic Generation and Propagation
- Interharmonics and other Non-Harmonic Distortion
- Power Quality Case Studies
- Probabilistic Aspects of Power Quality
- Economic Impacts and Management of Power Quality
- Renewable/Distributed Generation and Power Quality
- Smart Grid Technologies for Power Quality
- Time-Varying Harmonics
- Light Flicker and Voltage Fluctuations
- High Frequency Distortion in the range 9-150 kHz
- Power Quality in Liberalized Energy Markets
- Power Quality in E-mobility Infrastructures
- Lightning-induced Power Quality Issues
- Power Quality and Reliability
- Power Quality Data Analytics
- Forecasting Techniques Applied to Power Quality

Venue

The 20th ICHQP will be held in the beautiful southern Italian city of Naples. The conference is technically co-sponsored by the IEEE Power and Energy Society, the IEEE Italy Section PE Chapter and EnSiEL, the Italian National Inter-Universities Consortium – Energy and Electrical Power Systems, and hosted by the three Neapolitan Universities: University of Naples “Federico II”, University of Campania “Luigi Vanvitelli”, and University of Naples “Parthenope”.

Conference General Chair
Roberto Langella

Conference Vice Chairs
Pierluigi Caramia
Mario Pagano

Honorary Chair
Alfredo Testa

Local Organising Committee
Amedeo Andreotti
Antonio Bracale
Mario Pagano

International Steering Committee
Yahia Baghzouz (Co-Chair), USA
Dario Zaninelli (Co-Chair), Italy
Alexander E. Emanuel, USA
Paulo Ribeiro, Brazil
Thomas Ortmeyer, USA
Gary Chang, Taiwan
Sarah Perera, Australia
Sakis Meliopoulos, USA
Cristian Lazaroiu, Romania
Josè Policarpo G. Abreu, Brazil
William Mack Grady, USA
Alfredo Testa, Italy
Mark Halpin, USA
Wilson Xu, Canada
Alex McEachern, USA
Mark McGranaghan, USA
Igor Papič, Slovenia
Dan Sabin, USA
CALL FOR PAPERS

Conference Website
http://www.ichqp2022.org/

Important Dates
- 01/06/21: Tutorial, Panel and Special Session proposal submission opens
- 30/07/21: Tutorial, Panel and Special Session proposal submission deadline
- 01/09/21: Tutorial, Panel and Special Session proposal decision notification
- 01/09/21: Paper submission opens
- 15/11/21: Paper submission deadline
- 30/01/22: Paper decision notification
- 01/03/22: Final paper submission

Submit a Research Paper
Prospective Authors are invited to submit original unpublished manuscripts, including a complete description of the proposed technical contribution along with results, on any topic within the conference scope. All papers will be subject to a single-blind peer-review process, and will be reviewed in terms of relevance, originality and quality of the technical content, overall organization and writing style.

The following general protocols apply:
- **Template:** Paper must be prepared using the IEEE PES conference paper template.
- **Page limit:** Papers must not exceed the six-page limit (including all text, footnotes, figures, tables and appendices).
- **Language:** English.
- **File format:** Single PDF file (limited to 6 MB).
- **Mode of submission:** The paper must be uploaded using the Paper Submission system on the conference website.
- **Publication:** Papers must be presented at the conference to be included in the proceedings archived on IEEE Xplore.

Presentation of IEEE PES Transactions Papers
A limited number of recently accepted IEEE PES Transactions papers will be considered for presentation in ordinary or special sessions at the conference.

Constantin Budeanu Best Paper Award
The Constantin Budeanu Best Paper Award recognizes work of outstanding value in the field of power quality. All papers are automatically considered, and the winner will be announced during the conference gala dinner.

Publication of Technically Extended Papers
A selection of presented papers will be invited to be resubmitted as a technically extended version for consideration in an IEEE PES Journal, with a special discount covered by the conference organization for Open Access publication.

Full details on all of the above are available in the Authors Section of the conference website.

Tutorial and Special Sessions
We are pleased to invite proposals for Tutorial Sessions, Panel Sessions and Special Sessions. All details are available at the Program Section of the conference website.

Sponsors and Exhibitors
A range of opportunities to sponsor or exhibit at the conference are available to businesses interested in taking part in ICHQP 2022. Please visit the Sponsorship Section of the conference website for further details.

Further Information
